

LET'S GO: ALL IN FOR WINTER*

WINTER 2024/25 ISSUE

Kingston's Winter Night Shelter: Now Open

KCAH supporters can take pride in the fact that one of London's biggest and best night shelters for rough sleepers is right here in Kingston. It will run until 31 March 2025.

The Hub was launched on Monday 20 Jan to add extra capacity to the main WNS (winter night shelter) which was launched on 6 Jan. A big **thank you** to everyone who is actively volunteering. We need all the support we can get.

Able to help? [Please register via the KCAH website today.](#)

New Campaign: All in for Winter*

Keeping the momentum and support going for 2025: KCAH has launched a new campaign with a simple goal, to help every single person who needs it this winter.

Let's club together and raise £10,000 by the end of March. It's a simple goal but we can't do it without you!

Please donate £5, £10 or more if you can. Why not set up your own JustGiving page and raise £100 or more towards our shared total? Go to the KCAH website or visit:

Christmas Time Support from Churches

More than £2,750 was raised by local churches for KCAH in December through their Christmas Fairs and Carols Evenings.

Special thanks to Kingston Methodist, St John's Hampton Wick, All Saints Church, Teddington Baptist Church, St Paul's Hook and Emmanuel, Tolworth.

Many individuals and organisations were also very generous to our charity during the festive period. Thanks also go out to Waitrose Surbiton, Eden Crafts and Kingston Charitable Foundation for fundraising opportunities.
