

# PRAYER UPDATE - MAY 2022

**Dear Supporter,**

**Please would you join us in praying for the people facing homelessness in the Kingston Borough, as well as the KCAH staff who support them.**

*Father God...*

- We praise You for all the hard work of staff at the Joel Centre over the past year. Thank You for all their skilled efforts in supporting and encouraging the residents to make some significant steps forward in their recovery journey.
- We ask for Your strength, peace and protection for the Joel Residents, as well as the staff over the coming months, in the face of a great deal of uncertainty due to the closure of the Joel Centre at the end of June.
- Please Lord, help us find exactly the right move-on accommodation and support for these very vulnerable people, to enable them continue to move forward in their recovery and to minimise the impact of leaving Joel.
- Grant all our staff members Your peace, wisdom and insight during this particularly turbulent and challenging time.
- Help the whole staff team continue to pull together in a spirit of unity, compassion and cooperation to support all the tenants and residents in our care.
- We pray for protection and healing for all those people who come to us for support, with mental and physical health challenges.
- We especially pray for increasing numbers of people in the community who are facing hardship and potential eviction due to the sharp rises in living costs.
- Please help us secure the vitally important sources of income and funding needed to keep our organisation running in the face of the current challenges. Please help build resilience for the future so we can continue to support people in desperate need.

We ask all of these things in Jesus Great Name,  
Amen!

Thank you so much for praying!
